Segro Pure Premier Park Data Centre Limited

Directors' Report For the Period Ended 31 December 2025

The Directors present their report together with the audited financial statements of Segro Pure Premier Park Data Centre Limited (the "Company") for the period ended 31 December 2025.

The Company was incorporated on 12 March 2025. These financial statements cover the ten-month period from incorporation to 31 December 2025.

Principal activities

The principal activity of the Company is the holding and development of investment property.

Directors

The Directors who served during the period and up to the date of signing these financial statements were:

Marco Ming Pong Fok (resigned 26 March 2026)
William Davis (resigned 31 December 2025)
Andrew John Pilsworth
James McCarthy (appointed 31 December 2025)
James William Craddock
Richard Le Cras (appointed 27 March 2026)

Qualifying third party indemnity provisions

The Company maintains a Directors and officers' liability insurance policy in respect of any legal costs that may be incurred against the Directors in dealing with any legal claims or investigations. The policy was in place throughout the year and up to the date of approval of the financial statements.

Disclosure of information to auditors

Each of the persons who are Directors at the time when this Directors' Report is approved have confirmed that:

- so far as the Directors are aware, there is no relevant audit information of which the Company's auditors are unaware; and
- the Directors have taken all the steps that ought to have been taken as a Director in order to be aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

Independent auditors

PricewaterhouseCoopers LLP were appointed auditors for the period ended 31 December 2025. The auditors have indicated their willingness to continue in office.

Exemptions available under the Companies Act 2006

The Company qualifies as a small company under the Companies Act 2006. In preparing this report, the Directors have taken advantage of the exemptions available to small companies, including the exemption from the requirement to prepare a strategic report.

The results of the Company are equity accounted for in the consolidated financial statements of its investors.

Segro Pure Premier Park Data Centre Limited

Directors' Report (continued) For the Period Ended 31 December 2025

This report was approved by the board on 24 June 2026 and signed on its behalf.

Segro Pure Premier Park Data Centre Limited

Directors' Responsibilities Statement For the Period Ended 31 December 2025

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial period. Under that law they have elected to prepare the financial statements in accordance with UK-adopted International Financial Reporting Standards.

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK-adopted International Financial Reporting Standards been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006.

The Directors are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

Independent auditors' report to the members of Segro Pure Premier Park Data Centre Limited

Report on the audit of the financial statements

Opinion

In our opinion, Segro Pure Premier Park Data Centre Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2025 and of its profit and cash flows for the period from 12 March 2025 to 31 December 2025;
- have been properly prepared in accordance with UK-adopted international accounting standards; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Directors' Report and Financial Statements (the "Annual Report"), which comprise:

- the Statement of Financial Position as at 31 December 2025;
- the Statement of Profit and Loss and Other Comprehensive Income for the period then ended;
- the Statement of Changes in Equity for the period then ended;
- the Statement of Cash Flows for the period then ended; and
- the notes to the financial statements, comprising material accounting policy information and other explanatory information.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to going concern

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

However, because not all future events or conditions can be predicted, this conclusion is not a guarantee as to the company's ability to continue as a going concern.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Directors' Report, we also considered whether the disclosures required by the Companies Act 2006 have been included.

Based on our work undertaken in the course of the audit, the Companies Act 2006 requires us also to report certain opinions and matters as described below.

Directors' Report

In our opinion, based on the work undertaken in the course of the audit, the information given in the Directors' Report for the period ended 31 December 2025 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Directors' Report.

Responsibilities for the financial statements and the audit

Responsibilities of the directors for the financial statements

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Based on our understanding of the company and industry, we identified that the principal risks of non-compliance with laws and regulations related to Real Estate Investment Trust (REIT) status by SEGRO plc group, of which the company is a related undertaking, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the financial statements such as the Companies Act 2006. We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to posting inappropriate journal entries to increase revenue, and management

bias in accounting estimates and judgemental areas of the financial statements such as valuation of investment properties. Audit procedures performed by the engagement team included:

- Discussions with management, including consideration of known or suspected instances of non-compliance with laws and regulations and fraud;
- Understanding management's internal controls designed to prevent and detect irregularities;
- Procedures relating to the valuation of investment properties, including engaging our internal valuation experts (qualified chartered surveyors) to assess the reasonableness of key assumptions used in the model;
- Reviewing relevant meeting minutes, including those of the Board of Directors;
- Identifying and testing journal entries, where applicable, in particular any journal entries posted with unusual account combinations; and
- Procedures relating to compliance with Real Estate Investment Trust (REIT) status by SEGRO plc group through the involvement of tax specialists.

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of this report

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Other required reporting

Companies Act 2006 exception reporting

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not obtained all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company or returns adequate for our audit have not been received from branches not visited by us; or
- the company's financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made.

We have no exceptions to report arising from this responsibility.

Entitlement to exemptions

Under the Companies Act 2006 we are required to report to you if, in our opinion, the directors were not entitled to: prepare financial statements in accordance with the small companies regime; take advantage of the small companies exemption in preparing the Directors' Report; and take advantage of the small companies exemption from preparing a strategic report. We have no exceptions to report arising from this responsibility.

Segro Pure Premier Park Data Centre Limited

Notes to the Financial Statements For the Period Ended 31 December 2025

1. General information

Segro Pure Premier Park Data Centre Limited is a private company, limited by shares and incorporated in England and Wales under the Companies Act 2006. The address of the Company's registered office is given on the Company Information page and the nature of its operations and its principal activities are set out in the Directors' Report.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with UK-adopted International Financial Reporting Standards and the requirements of the Companies Act 2006.

The financial statements have been prepared on a going concern basis and under the historical cost convention, as modified by the revaluation of certain assets and liabilities measured at fair value.

The financial statements are prepared in pounds sterling, which is the functional currency of the Company. All amounts presented are rounded to the nearest pound.

As this is the Company's first reporting period, ten-month reporting period from 12th March 2025 to 31st December 2025, no comparative information is presented.

The preparation of financial statements in compliance with UK-adopted IFRS requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies (see note 3).

The Company is jointly controlled by its shareholders and there is no ultimate parent undertaking which prepares consolidated financial statements including the Company. The results of the Company are equity accounted for in the financial statements of its investors.

The Company qualifies as a small company under the Companies Act 2006. In preparing these financial statements, the Company has taken advantage of the exemptions available to small companies, including:

- the exemption from the requirement to prepare a strategic report;
- reduced disclosure requirements in respect of the content of the Directors' Report.

The following principal accounting policies have been applied:

Segro Pure Premier Park Data Centre Limited

Notes to the Financial Statements For the Period Ended 31 December 2025

2. Accounting policies (continued)

2.2 Going concern

The financial statements have been prepared on a going concern basis which the Directors consider to be appropriate.

The Company is jointly controlled by its shareholders and operates as part of a joint venture structure, as described in note 2.1. The Company's activities are funded through a combination of equity and debt financing provided by its shareholders and external lenders.

The Directors have prepared forecasts for a period of at least 12 months from the date of approval of these financial statements, which take into account the expected development and operational activities of the Company, together with committed and anticipated funding arrangements.

In preparing these forecasts, the Directors have assumed that the Company's shareholders will continue to provide financial support as required to enable the Company to meet its liabilities as they fall due. The shareholders have indicated their intention to continue to support the Company for this period.

Based on this assessment, the Directors are satisfied that the Company has adequate resources to continue in operational existence for the foreseeable future and have therefore prepared the financial statements on a going concern basis.

As with any company placing reliance on shareholder support, there can be no absolute certainty that such support will continue; however, the Directors have no reason to believe that this support will not be forthcoming.

2.3 Investment property

Investment property comprises land and property held for capital appreciation.

Investment property is initially recognised at cost, including directly attributable transaction costs.

Subsequently, investment property is measured at fair value with changes in fair value recognised in the profit or loss in the period in which they arise, in accordance with IAS 40 *Investment Property*.

Fair value is determined by external independent valuers using valuation techniques consistent with IFRS 13 *Fair Value Measurement*. These techniques include the use of market-based inputs and, where appropriate, unobservable inputs.

Investment property is not depreciated.

2.4 Taxation

Taxation comprises current and deferred tax.

Current tax is based on taxable profit for the period.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities and their tax bases, using the liability method.

Deferred tax assets are recognised only to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised.

Segro Pure Premier Park Data Centre Limited

Notes to the Financial Statements For the Period Ended 31 December 2025

2. Accounting policies (continued)

2.5 Finance income

Finance income comprises interest income on cash balances and is recognised in profit or loss on an accrual basis using the effective interest method.

2.6 Finance costs

Finance costs are charged to profit or loss over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

2.7 Financial instruments

Financial assets

Financial assets comprise cash and amounts due from related parties and are measured at amortised cost.

Financial liabilities

Financial liabilities comprise trade payables and accruals and are measured at amortised cost.

2.8 Share capital

Ordinary shares are classified as equity.

Incremental costs directly attributable to the issue of shares are recognised as a deduction from share premium.

2.9 Provisions

Provisions are recognised when the Company has a present obligation as a result of a past event, it is probable that an outflow of economic benefits will be required, and the amount can be reliably estimated.

2.10 Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and are measured at amortised cost.

Segro Pure Premier Park Data Centre Limited

Notes to the Financial Statements For the Period Ended 31 December 2025

2. Accounting policies (continued)

2.11 Impact of new international reporting standards, amendments and interpretations

The following new standards and amendments are effective for the period beginning 1 January 2025:

- IAS 21 Effects of Changes in Foreign Exchange Rates - *Amendment – Lack of Exchangeability*;
- IAS 1 Presentation of financial statements - *Amendment - Classification of Liabilities as Current or Non-current*;
- IAS 1 Presentation of financial statements - *Amendment – Non-Current Liabilities with Covenants*;
- IFRS 7 Financial instruments – *Amendment - Disclosure of Supplier Finance*.

The following new standards and amendments are effective for the period beginning 1 January 2026:

- IFRS 9 Financial Instruments and IFRS 7 Financial Instruments: Disclosures – *Amendments – Classification and Measurement of Financial Instruments*;
- Annual Improvements to IFRS Accounting Standards – *Volume 11*.

The application of these standards is not expected to have a material impact on the amounts reported in the Company's financial statements.

3. Judgements in applying accounting policies and key sources of estimation uncertainty

The preparation of financial statements in conformity with UK-adopted IFRS requires the Directors to make judgements, estimates and assumptions that affect the reported amounts of assets and liabilities at the reporting date, and the reported amounts of income and expenses during the period.

The Directors have had to make the following judgements.

Fair value of investment property

The most significant area of estimation uncertainty relates to the determination of the fair value of investment property.

The valuation is performed by independent external valuers using recognised valuation techniques and incorporates assumptions including market yields, development assumptions, comparable market transactions and expected future cash flows.

Given the nature of these inputs, particularly where unobservable inputs are used, the valuation is inherently subjective.

A change in the key assumptions used in the valuation could have a material impact on the carrying value of the investment property.

Judgements

The directors have not identified any critical judgements, apart from those involving estimation, that have a significant effect on the amounts recognised in the financial statements

Segro Pure Premier Park Data Centre Limited

Notes to the Financial Statements For the Period Ended 31 December 2025

4. Operating profit

The operating profit is stated after crediting:

	Period ended 31 December 2025 £
Change in fair value of investment properties	<u>1,075,113</u>

5. Finance income

	Period ended 31 December 2025 £
Interest on cash balances	<u>17,503</u>

6. Tax on profit

	Period ended 31 December 2025 £
Current tax	4,376
Deferred tax	-
Total tax charge	<u><u>4,376</u></u>

Segro Pure Premier Park Data Centre Limited

Notes to the Financial Statements For the Period Ended 31 December 2025

6. Tax on profit (continued)

Factors affecting tax charge for the period

The tax assessed for the period is lower than the standard rate of corporation tax in the UK of 25.00%. The differences are explained below:

	Period ended 31 December 2025 £
Profit on ordinary activities before tax	<u>269,345</u>
Profit on ordinary activities before tax multiplied by standard rate of corporation tax in the UK of 25.00%	67,336
Effects of:	
Fair value gain on investment property	(268,778)
Pre-commencement of Property Business Expenditure	<u>205,818</u>
Total tax charge	<u><u>4,376</u></u>

Factors that may affect future tax charges

No deferred tax asset or liability has been recognised in respect of temporary differences arising during the period.

Deferred tax balances have been calculated based on the rate substantively enacted as at the reporting date and expected to be in force when the timing differences are expected to unwind.

7. Employees

The Company has no employees other than the Directors who did not receive any remuneration.

Segro Pure Premier Park Data Centre Limited

Notes to the Financial Statements For the Period Ended 31 December 2025

8. Investment property

	2025 £
Valuation	
Additions	146,724,887
Fair value gain on investment property	1,075,113
At 31 December 2025	<u>147,800,000</u>

The investment property was valued at 31 December 2025 by an independent external valuer. All properties are classified as Level 3 in the fair value hierarchy as defined by IFRS 13 Fair Value Measurement.

The valuation was performed by CBRE Limited using recognised valuation techniques consistent with IFRS 13 *Fair Value Measurement*.

The valuation incorporates a number of assumptions including market yields, development assumptions and comparable market transactions.

A change in the key assumptions used in the valuation, including yields or development assumptions, could result in a material change in the fair value of the investment property.

9. Trade and other receivables

	2025 £
Prepayments	385,467
VAT receivable	25,821
Amounts owed from related parties	75
	<u>411,363</u>

10. Trade and other payables

	2025 £
Trade payables	572,913
Accruals	157,407
	<u>730,320</u>

Segro Pure Premier Park Data Centre Limited

**Notes to the Financial Statements
For the Period Ended 31 December 2025**

11. Called up share capital

	2025
	£
Allotted, called up and fully paid	
Ordinary shares issued	<u>3,602,000</u>

Each Ordinary share has full rights in the Company with respect to voting, dividends and distributions.

12. Capital and reserves

The Company's capital and reserves are as follows:

Share capital

Share capital represents amounts subscribed for shares at nominal value.

Share premium

Share premium represents amounts received in excess of the nominal value of shares issued during the period, primarily to fund the acquisition and development of the Company's investment property.

Retained earnings/(Accumulated losses)

The Retained earnings/(accumulated losses) represents the accumulated profits and losses attributable to equity shareholders, net of dividends paid and other adjustments.

Segro Pure Premier Park Data Centre Limited

Notes to the Financial Statements For the Period Ended 31 December 2025

13. Financial risk management

The Company's activities expose it to a limited range of financial risks, including credit risk, liquidity risk and market risk. The Company does not undertake any speculative trading activity and manages its financial risks in a conservative manner, consistent with its role as an investment property holding entity.

Credit risk

Credit risk is the risk of financial loss arising from a counterparty's failure to meet its contractual obligations.

The Company's exposure to credit risk arises primarily from cash and cash equivalents and amounts due from related parties.

Cash balances are held with reputable financial institutions with high credit ratings. The directors monitor the credit quality of these institutions on an ongoing basis and consider the associated risk of default to be low.

Amounts due from related parties are considered recoverable based on the financial position of the counterparties and the nature of the relationship. The Company applies the expected credit loss model in accordance with IFRS 9 *Financial Instruments*; however, no material loss allowance has been recognised as at the reporting date.

Liquidity risk

Liquidity risk is the risk that the Company will be unable to meet its financial obligations as they fall due.

The Company's approach to managing liquidity is to ensure that it has sufficient financial resources available to meet its liabilities when due.

The Company is funded through equity contributions from its shareholders and does not have external borrowings. The directors monitor forecast cash flows and funding requirements on a regular basis and are satisfied that sufficient funding is available to meet the Company's obligations as they fall due.

All financial liabilities are due within one year and there are no contractual cash flow obligations beyond this period.

Market risk

Market risk is the risk that changes in market prices, such as interest rates, foreign exchange rates or other price variables, will affect the Company's financial position.

The Company has limited exposure to market risk:

- Interest rate risk arises primarily from cash balances; however, given the short-term nature of these balances, the impact of changes in interest rates is not considered significant.
- Foreign exchange risk is not considered significant as the Company's transactions are predominantly denominated in sterling.

Segro Pure Premier Park Data Centre Limited

Notes to the Financial Statements For the Period Ended 31 December 2025

14. Related party transactions

The Company is a joint venture between entities within the SEGRO Plc Group and Pure Data Centres Group Limited.

At the reporting date, an amount of £75 was receivable from a related undertaking, Segro Pure Premier Park Data Centre Holdings Limited.
